5. The Bar Date Order establishes the following bar dates for filing Proofs of Claim in the Debtors' chapter 11 cases:

6. **General Bar Date:** Pursuant to the Bar Date Order, except as described below, all entities holding claims against any Debtor that arose or are deemed to have arisen prior to the Petition Date, including claims arising under section 503(b)(9) of the Bankruptcy Code, are required to file Proofs of Claim so that such Proofs of Claim are actually received by Prime Clerk on or before **September 12, 2018 at 5:00 p.m. (Eastern Time)** (the "**General Bar Date**"). The General Bar Date applies to all types of claims against any Debtor that arose prior to the Petition Date (except to claims that are exempt from complying with the General Bar Date pursuant to the Bar Date Order), including, without limitation, secured claims, unsecured priority claims, unsecured non-priority claims and claims arising under section 503(b)(9) of the Bankruptcy Code.

7. **Governmental Bar Date.** Pursuant to the Bar Date Order, all governmental units holding claims against the Debtors that arose or are deemed to have arisen prior to the Petition Date are required to file Proofs of Claim so that such Proofs of Claim are actually received by Prime Clerk on or before **October 30, 2018 at 5:00 p.m. (Eastern Time)** (“**Governmental Bar Date**”). The Governmental Bar Date applies to all governmental units holding claims against the Debtors (whether secured, unsecured priority or unsecured non-priority) that arose prior to the Petition Date, including, without limitation, governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which the Debtors were a party.

8. **Supplemental Bar Date.** Pursuant to the Bar Date Order, all parties asserting claims against the Debtors’ estates that are affected by an amendment or supplement to the Schedules are required to file Proofs of Claim so that such Proofs of Claim are actually received by Prime Clerk by the later of: (a) the applicable Bar Date; and (b) 5:00 p.m. (prevailing Eastern Time) on the date that is thirty (30) days from service of the notice to the affected creditors that the Schedules have been amended or supplemented (the “**Supplemental Bar Date**”); **provided, however,** that persons and entities that are exempt from filing proof(s) of claim are not required to file a proof of claim or request for payment of an administrative expense by such Supplemental Bar Date.

9. **Rejection Bar Date.** Pursuant to the Bar Date Order, except as otherwise provided herein and entities that are exempt from filing proof(s) of claim under the Bar Date Order, all parties asserting claims against the Debtors arising from the Debtors’ rejection of an executory contract or unexpired lease are required to file Proofs of Claim with respect to such rejection so that such Proofs of Claim are actually received by Prime Clerk by the later of: (a) the applicable Bar Date; (b) 5:00 p.m. (prevailing Eastern Time) on the date that is 30 days following the date of service of notice of entry of an order authorizing the rejection of such executory contract or unexpired lease (which order may include an order confirming a plan of reorganization for the Debtors pursuant to chapter 11 of the Bankruptcy Code; **provided, however,** in this instance, the bar date shall be 30 days following the date specific notice of such rejection pursuant to such confirmation order is provided to a non-debtor counterparty to an executory contract or unexpired

lease); or (c) the date set by any other order of the Court authorizing rejection of such contract or lease (the “**Rejection Bar Date**” and, together with the General Bar Date, the Governmental Bar Date and the Supplemental Bar Date, the “**Bar Dates**”).

II. Parties Required to File Proofs of Claim

10. The following categories of claimants (unless such claimant is exempt from filing a proof of claim or complying with the applicable Bar Date pursuant to the Bar Date Order) shall be required to file a proof of claim by the applicable Bar Date: (i) any entity whose Prepetition Claim against a Debtor is not listed in the applicable Debtor’s Schedules or is listed as “disputed,” “contingent” or “unliquidated” and desires to share in any distribution to creditors in the chapter 11 cases; (ii) any entity that believes that its claim is improperly classified in the Schedules or is listed in an incorrect amount and who desires to have its claim allowed in a different classification or amount; (iii) any entity that believes that any Prepetition Claim as listed in the Schedules is not an obligation of the specific Debtor against which the claim is listed and that desires to have its claim allowed against a different Debtor; and (iv) any entity who believes that its claim against a Debtor is or may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

III. Claims for Which a Proof of Claim Need Not be Filed

1. Certain parties are not required to file Proofs of Claim. The Court may, however, enter one or more separate orders at a later time requiring creditors to file Proofs of Claim for some kinds of the following claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Proofs of claim need not be filed on or before the Bar Dates, solely with respect to the claims subject to the Bar Date and solely with respect to the types of claims described below:

- a. Any claim held by a claimant who has already filed against the Debtors with respect to the claim being asserted in the above-captioned case in a form substantially similar to Official Bankruptcy Form No. 410;
- b. Any claim that is listed on the Schedules, provided that (i) the claim is not scheduled as “disputed”, “contingent” or “unliquidated”; (ii) the claimant does not disagree with the amount, nature and priority of the claim as set forth in the Schedules; and (iii) the claimant does not dispute that the claim is an obligation of the specific Debtor against which the claim is listed in the Schedules;

- c. Any a claim that has been allowed, or who is exempt from filing a claim, by an order of this Court;
- d. Any claim has been paid in full;
- e. Any claim for which specific deadlines have previously been fixed by this Court;
- f. Any claim by a Debtor against another Debtor in these chapter 11 cases;
- g. Any claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration;
- h. Any claim by the DIP Lender, Prepetition Secured Note Lender³ and the Relativity Secured Lender whose claims shall be deemed timely filed and valid proofs of claim (without the need for the DIP Lender or Prepetition Secured Note Lender to file a proof of claim) against each Debtor, guarantor and obligor in each of the Debtors' chapter 11 cases and in any Successor Case; and
- i. Any claim by an employee of the Debtors, but only to the extent that such claim is solely for reimbursement of ordinary course business expenses or outstanding wages, base salary, commissions, benefits, bonuses or other ordinary course compensation; **provided, however,** that any employee of the Debtors who wishes to assert a claim against the Debtors that is not based solely on reimbursement of ordinary course business expenses or outstanding wages, base salary, commissions, benefits, bonuses or other ordinary course compensation must file a proof of claim for such claim on or prior to the General Bar Date.

IV. No Requirement to File Proofs of Interest

11. Any person or entity holding an equity interest in the Debtors (an “**Interest Holder**”), which interest is based exclusively upon the ownership of stock in a corporation or warrants or rights to purchase, sell or subscribe to such a security or interest (any such security or interest referred to herein as an “**Interest**”), need not file a proof of such Interest on or before the General Bar Date; **provided, however,** that any Interest Holder who wishes to assert a prepetition claim against the Debtors that is not based solely on account of such Interest, including, but not limited to, prepetition claims arising from the issuance, purchase or sale of such Interest, must file a proof of claim for such claim on or prior to the General Bar Date unless another exception identified in this Notice or the Bar Date Order applies.

³ All references herein to the DIP Lender and Prepetition Secured Note Lender shall include, in each case, each of their successors and assigns and their professionals. For the avoidance of doubt, notwithstanding anything to the contrary herein, the professionals of the DIP Lender and Prepetition Secured Note Lender are not required to file proofs of claim in any of these chapter 11 cases or Successor Cases.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate.
11 U.S.C. § 503.

Claim: A creditor’s right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy.
11 U.S.C. § 101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
